"I learned how to write essays in the desired format…which allowed me to excel in that course in the fall. I also learned how to effectively study for chemistry and calculus, preparing me for each course."

—SW, Class of 2025

"I felt like it was a very eye opening experience to see what college was all about... I would definitely do it again."

—JL, Class of 2025

"'I felt prepared' is an understatement. I really felt like a warrior, resolute and ready to take on whatever was coming my way at the new school year."

—EI, Class of 2024
